

At the desk where I sit I have learned one great truth. The answer for all national problems – the answer for all the problems of the world – comes in a single word. That word is "education."

Dear Steve,

We are pleased to inform you that your performance during the last year as an NSPF Instructor will result in a 2015 NSPF Instructor Award! Specifically, you have earned an award in regard to teaching the CPO® Certification Course:

Most Certified Individuals by an Instructor in the Last Year
6/1/14 – 5/31/15
737 Taught

It is hard to measure the overall impact you are having in the aquatics industry by training those who maintain pools and spas, but we know it is tremendous. Your commitment to keeping pools safer and open is not only appreciated by NSPF, but also by those families who will be more protected as a result.

To celebrate your efforts, we would like to present you with the award at the 2015 NSPF International Instructor Meeting on October 7, 2015, 3:15 - 5:00pm, at the Scottsdale Plaza Resort in Scottsdale, Arizona. NSPF staff will be present, as well as many of your peers who share and applaud your commitment. Following this event, NSPF will be hosting the 50th Anniversary Celebration at 6:30pm at Desert Foothills in Phoenix. You are cordially invited to join us for drinks, dinner, and entertainment to honor NSPF's history and the contributing success of our instructors.

To RSVP to one or both events, email Jocelyn at jocelyn.jester@nspf.org. In addition, if you are interested in attending the World Aquatic Health™ Conference on October 8-9, visit www.thewahc.org to learn more and register.

Sincere thanks for all you do to make the world of aquatics a better place!

With Respect,

Michelle Kavanaugh
